

Remarks

In the Office Action, it is required that the pending claims be restricted to one of four groups (Groups I-IV). Applicants provisionally elect, with traverse, Group II, encompassing claims 4-13. However, Applicants respectfully submit that other groups should also be examined since a single search directed to the term "3,3'-azo-bis(6-hydroxybenzoic acid)" would necessarily encompass all of the claims in Groups I-IV, or at least those in Groups II-IV. For this reason, it is believed that the examination of Groups I-IV (alternatively, II-IV) would not impose an unreasonable burden on the Examiner. See Manual of Patent Examining Procedure, §803.01. Therefore, Applicants respectfully request that the restriction requirement be withdrawn.

No fee is believed to be due for this submission. However, should any fees be required for the submission of this paper, or to avoid abandonment of this application, please charge such fees to Jones Day Deposit Account No. 503013.

Respectfully Submitted,
